Open House

home choice supporting your freedom

Kent Issue 1 - Feb 2007

Welcome to the quarterly newsletter from Home Choice Care Ltd, the home care provider in Gravesend and the surrounding areas. HCC Ltd is a new kind of home care provider. Owned and run by all the staff. Our vision is **"Supporting Your Freedom"** for our Service Users.

HOME CHOICE CARE EXPANDS INTO KENT!

All of us at Home Choice Care would like to send a BIG thank you to Elayne Oxley for creating a little gem of a company like V-Care. Elayne has spent considerable time and effort in making V-Care the high quality care provider that is today and we now want to continue her good work and make V-Care even bigger and better.

We are delighted to be able to welcome all of you to Home Choice Care.

Home Choice Gravesend (formerly V-Care) is set to become the care provider of choice in this area and we need your help to achieve this. We value every member of our team and we will be *giving* each of you a share in the ownership of our company in May 2007. The size of this share will be matched against the amount of work that you carry out and the satisfaction of the service users you care for.

Finally, we want to say a fond farewell to Elayne and wish her the best of luck in her future ventures and introduce you to Lyn Wilson, Care Director.

Care Worker Co-operative

All our Care Workers own part of Home Choice Care or have the opportunity to do so! We have just announced our first grant of free share options to all our loyal Care Workers as a reward for staying with us - and remaining with us for the next 3 years.

This is just one of the rewards we share with our staff besides excellent training, supervised on-call support and some of the best pay rates in the local area.

We believe our Care Workers will focus on their Service Users with great dedication and provide quality care if we show them the same dedication - and we do!

Professor Justin Jewitt, Chairman, HCC

Working Together delivering excellent care to people in their own homes is all about partnership.

Home Choice Care helps people live independently in their own homes by providing care workers to assist with their daily needs.

A message from Jane Scott, National Care Director

I am delighted to be able to welcome you to Home Choice Care.

You will soon get to know that Homecare is my passion and has been since 1996. I first "fell" into homecare in Oxford as an "on-call" person for a large national company and have worked at just about every level in homecare since.

I know Home Choice Care - Gravesend has a great future and that means a great future for you all as well.

Remember: Companies don't succeed PEOPLE do!

Jane

Home Choice Care - Gravesend

Do you know someone that may need extra support at home?

Sometimes the odd hour of extra help with cooking and cleaning, shopping or preparing meals can make all the difference, particularly if you've recently been ill or feeling under the weather. You can now get help from Home Choice Care, a leading provider of home care services.

- **Housework - cleaning and ironing**
- **Shopping and preparing meals**
- **Getting up and dressed in the morning**
- **Washing or bathing**
- **Getting ready for bed**
- **Live in Care**
- **Night sits (awake or sleep-ins)**

We can be totally flexible to suit your exact needs: from a one hour visit to 24 hours a day. We can also provide this help for a few days (if, for example, you've just come out of hospital and aren't feeling 100 per cent) right through to ongoing support if you need long term help.

These services are more affordable than you think.
