Open House

home choice
supporting your freedom

CITC Issue 1, June 2007

Welcome to the quarterly newsletter from Home Choice Care Ltd. HCC Ltd is a new kind of home care provider. Owned and run by all the staff. Our vision is "Supporting Your Freedom" for our Service Users.

CITC OWNERSHIP

Linda and I have some exciting news for all our Service Users. After 13 years of building up CITC we have decided it is time to hang up our boots. Home Choice Care Ltd is taking over the ownership of CITC.

We have spent a great deal of time looking for the perfect people to take over and continue running CITC as the very special organisation it is, and finally we have found them in the Home Choice Care team.

Cambridgeshire Social Services are aware that we are selling the company and have approved the new owners so there is no need for anyone to be worried about their existing care service. Home Choice Care Ltd intend to grow the business which will mean more opportunities for our staff. Service Users will still have the same care service and care workers as they have at present.

Linda and I want to thank the staff for all of their the hard work and loyalty over the years and also to say we will miss them and our many happy Service Users as well.

Keith and Linda

A message from Jane Scott, National Care Director

I am delighted to be able to welcome you to Home Choice Care.

You will soon get to know that Homecare is my passion and has been since 1996. I first "fell" into homecare in Oxford as an "on-call" person for a large national company and have worked at just about every level in homecare since.

I know Home Choice Care - Huntingdon has a great future and that means a great future for our staff and most importantly of all, a great care service to you, our Service Users.

Jane
